Rear Admiral David LeBreton, USN (Ret)

Dear Admiral:

STAT

Thanks for your letter concerning Ensign [redacted] I am inclosing herewith a Form 57, and, if you will send it to him to fill out and return to us, we shall give his application every consideration to see if we can fit him into the Central Intelligence Agency.

Now that you are back from the summer away, and we are getting settled in a house, we hope that we shall be able to see something of Mrs. LeBreton and yourself.

Janie joins me in very best wishes to both of you.

Sincerely,

p/Hilly - Date 30 Sep 47
